Aeration Partial System

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE383
Aeration Pump

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE390

Stainless in-line Oxygenation Assembly

WARNING: This product can expose you to chemicals including Chromium, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE390A

Stainless in-line Oxygenation Assembly with no Barbs

WARNING: This product can expose you to chemicals including Chromium, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE391

The OxyWand Oxygenation Kit (0.5 Micron)

WARNING: This product can expose you to chemicals including Di-n-butyl phthalate (DBP), which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE391B

The OxyWand Oxygenation Kit (2 Micron)

WARNING: This product can expose you to chemicals including Di-n-butyl phthalate (DBP), which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE392

OxyWand - 0.5 Micron

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE392A

OxyWand Attachment Kit

WARNING: This product can expose you to chemicals including Di-n-butyl phthalate (DBP), which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE393

OxyWand - 2 Micron

WARNING: This product can expose you to chemicals including Di-n-butyl phthalate (DBP), which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE396

1/2 in MPT Oxygen Stone - 2
Micron

WARNING: This product can expose you to chemicals including Chromium, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE399

2" Oxygenation End Cap W/ Quick Disconnect (QD) Set

WARNING: This product can expose you to chemicals including Chromium, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE581

Kegmenter - 58 L (4 in T.C. Lid w/
Ball Lock Posts, Floating Dip Tube)

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE582

Kegmenter - 29 L (4 in T.C. Lid w/
Ball Lock Posts, Floating Dip Tube)

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE583

Replacement 4 in. T.C. Kegmenter Ball Lock Lid for FE581/FE582

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE584

Kegmenter - 50 L (4 in T.C. Lid w/
Ball Lock Posts, Floating Dip Tube)

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE585

Kegmenter - 1 BBL (4 in T.C. Flat
Lid, Airlock, Bottom Port)

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE601

Ranco Single-Stage Controller (Wired)

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE601A

Ranco Digital Temperature Controller (Not Wired)

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE602

Ranco Two-Stage Controller (Wired)

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE604

MKII Temperature Controller

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE610B

Ranco Controller - Replacement Temperature Sensor

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE635

CoolBot - Walk-In Cooler Controller for window air conditioner

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE636

CoolBot Pro - Walk-In Cooler
Controller for Window A/C Unit
(WiFi Enabled)

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE640

Inkbird Dual Stage Digital Temperature Controller

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE644

Inkbird Dual Stage Digital Temperature Controller (WiFi Enabled)

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE648

Inkbird PID Controller - IPB-16S

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE650

FermWrap - 40 Watt Fermentation Heater

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE653

30 Watt Fermentation Heating Belt

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE655

Anvil Temperature Controller

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE656

Fermentation Heating Wrap Belt -
With Velcro Strap (30watts)
110-120V

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE804A

FTSs | 14 gal Brew Bucket

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE806

Brew Bucket 3.5 gal Mini FTSs

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE824

Chronical 14 Gal FTSs System

WARNING: This product can expose you to chemicals including Lead and lead compounds, which is/are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to p65warnings.ca.gov

FE824J

Chronical Neoprene Jacket for FTSs - 14 gal

WARNING: This product can expose you to chemicals including Chloroprene, which is/are known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov
